Re: Alki David / Whitney Houston Estate

Dear Mr. Singer:

Further our telephone conversation of yesterday, could you please advise me in writing specifically what your client desires to proceed with the agreement by and between our respective clients to ensure the fact that miscommunication in the future can be substantially reduced or eliminated.

If you can give me a general protocol as to what your client desires, I believe it will be extremely constructive in resolving this dispute. I believe that this is something that must be done before any other options are discussed.

I look forward to your reply. Thanking you for your cooperation in advance.

Very truly yours,
