Termination of the existing business relationship
Account Number 10.008988_0

Dear Sir or Madam

SIGMA Bank AG, Schaan, currently has an indefinite, open-ended business relationship with you for the provision of banking services.

A review of the business relationship has shown that it is no longer compatible with the bank's business policy and strategic development.

We have therefore decided to

terminate

the existing business relationship in accordance with the General Terms and Conditions, Paragraph Z 15 "Duration of the business relationship/ordinary termination", subject to a reasonable period of notice.

You are therefore requested to provide a new bank account to which the assets in the account and/or custody account can be transferred within **two months of delivery of this letter, but no later than 15 December 2024**.

After this date, we will cease to provide services and will no longer be able to take responsibility for the assets held with us.

If you have any further questions, please do not hesitate to contact your relationship manager.

Kind regards

SIGMA Bank AG

Aris Prepoudis
CEO

Fabio Tschui
Head of Private Banking
