Hi Bruce,

I enjoyed your Roy Orbison hologram story but I feel it is coming across as biased. The inclusion of the unrelated harassment allegation Holiday hologram show opening on Hollywood Boulevard as well?

In any case: the real thing I have to add beyond Barry's statement is that BASE has no legal way to present holograms of the quality

Here is a statement from Alki David if you'd like to update or do a new post. Thanks, Owen

I'm very concerned for the Orbison family, They are being misled by BASE's Gary Shoefield who we fired for gross Becker, are misleading the Orbisons and other estates by making promises they can't keep: BASE has no legal way Universal and so many others have.

I love Roy Orbison's music and am determined to honor his legacy. Our production is well underway. I hope the fair back to work. We've just opened *Billie Holiday Alive!* at the Hologram USA Theater on Hollywood Boulevard to terr Mac hologram is in full production as well. In all these cases, the estates are ecstatic with the results.

Hi Bruce

I did think your story was pretty biased.
