I have never once had my day in Court Leah. Imagine that - a handful of orchestrated sexual harassment claims. Two of which were dropped became "unfair dismissal" complaints, after three years of dragging my name and my companies through the proverbial mud.

Due to the systemic corruption of the Judicial System at the Stanley Mosk Court House, and the State Bar, I have never once had my day

Imagine that Leah. Even when I represented myself against Lisa Bloom (Elizabeth Taylor V Alkiviades David) The Jury returned 8 - 4 in my favor. A Fraud on the Court. Despite the Court being loaded from the Start as Lisa Bloom would commit perjury in wholesale.

In my case Self-governing Judges who have been corrupted by Girardi et al; Judge Michelle Williams Court or Judge Yolanda Orozco for conflicts with adjudicating cases like mine. Extreme egregious reasons. Regardless, these people are openly extorting me in Court hiding

Although the FBI have and continue to investigate these matters; 70 k a year is not often enough for these men and women to care to go California.

Therefore it is left to people like myself who have had enough of being trafficked through this broken criminal system the State Bar is meant to build a strong team of lawyers including Alan Dershowitz, Blair Berk, Dana Cole, Glaser Weil Firm. I have several other firms in Switzerland I am filing criminal prosecutions. They are at various stages of imminence.

In these affairs I am righteous Leah. There are many whistleblowers and ex employees who have never been voiced due to the corrupter recanted or have been coerced by these people and have written adjudicated affidavits in my support.

My strength is my transparency and I expect to prevail in all matters relating to the State Bar of California and its corruption.

Therefore please reach out to me or any one of my representatives and let's try to collaborate rather than continue down this dark road for

Despite my bullishness, my experience has been at times terrifying. I have even had run-ins with the Sheriff's department in and out of California Blooms manipulation of the Court System.

I have no criminal record anywhere in the world. The most jail time I've done is 1 day for importing hemp to St Kitts. Which ironically turns jurisdiction issuing "red notices" on Girardi, Boom Allred et al.
