BEVERLY HILLS, Calif., July 10, 2015 (GLOBE NEWSWIRE) -- **Anakando Media Group** announced today that it has acquired a large stake in **MondoTunes**, the world's largest digital music distributor serving independent artists of all kinds. MondoTunes provides a one-stop shop to access iTunes, Amazon, Beats, Spotify and over 600 online stores around the globe, including exclusive access within China. The platform truly gives independent artists the strength of a major label release. It's a one-of-a-kind opportunity for artists to increase revenue on a global scale while maintaining 100% control of their ownership. [MondoTunes](#) also provides special

**Group.** "And the platform will work together with our other divisions –FilmOn, Hologram USA and Class 15—to expand the reach even further."

The MondoTunes platform will soon be completely relaunched with a new user experience and an innovative subscription model to better serve artists.

"We're extremely excited to join forces with Anakando. This partnership enables us to accelerate the implementation of a disruptive model that will modernize the digital music space." Said **Javan Mershad, Co-CEO of MondoTunes.** "The deal ultimately positions MondoTunes as the most dominant global source for independent artists worldwide."

USA, the company that develops digital resurrection performances, in collaboration with the management and estates of celebrities from the world of entertainment, politics and sports. HUSA also creates game changing telepresence opportunities for living entertainers and politicians.

Anakando also owns the world's largest privately held collection of movies and TV shows which includes the respected Hemdale, Cannon, Allied and Cinebx libraries. Over 30,000 film negatives are constantly being restored and digitally re-mastered at a state-of-the-art facility in Irvine, CA.

In 2013, the company's FilmOn subsidiary established a significant strategic alliance with Chinese company Lenovo Group Ltd., the world's largest personal computer manufacturer and third largest 'smart connected device' maker. The FilmOn TV app is now preloaded on every PC distributed by Lenovo globally, which at the company's reported run rate in July 2014, will amount to approximately 100 million.

Anakando is registered as an offshore holding company in the British Virgin Islands. In addition to the corporate headquarters in London, the company has offices and technical infrastructure, satellite uplink, and production studios in the United States, Switzerland and Ukraine.
