I should not have lost the appeal on Jones but you failed against a loaded case like that

Robert Shapiro your partner has repeatedly tried to threaten me and then sweet talk me.

Your partner Patricia Glasser has never engaged with me. Your partner Louis Freeh was equally slippery.

It is clear that you are part of the Girardi Network of lawyers and for that, I am deeply saddened.

The number of terrible things that have happened time and time again yet you have refused to go to the authorities. You and Dana have A theme I hear often from lawyers who are corrupted into this system of rigged judgments

When I bring you the evidence you guys bury it or forget about it and say nothing to see here.

I just do not accept old age or bad knees as being a good enough excuse Fred. Every thing you do is intended to slow proceedings dower

YOU ARE FIRED - I SHOULD NOT HAVE TO FEEL THIS WAY FRED I HAVE BEEN SHOUTING AT YOU FOR THREE YEARS

My problem Fred is that I am loyal to the core. And it has taken three years of you fucking me to finally say ENOUGH

Glasser Weil Firm et al are being held liable for any criminality and coercion that has gone on between officers of your company and any

You even THREATENED me by saying you represent RON BURKLE and its a problem

So Fred you are fired - make sure all the paper work is transferred to lawyers I will inform you of

Alki David
