**MAHIM KHAN & OTHERS**  
Respondents

## **APPELLANT'S CONSOLIDATED SUBMISSION (COMMERCIAL INTERFERENCE CORE)**

### **I. EXECUTIVE SUMMARY**

This submission presents a focused evidential pathway demonstrating a functioning commercial enterprise, active operational integration with IMG, and internal actor transition into a competing structure.

### **II. CORE SUBMISSION**

The materials establish a chronological, document-led sequence showing real operations, internal access, and transition.

### **III. KEY EVIDENCE**

HologramDeck\_Nov 2 2015-2.pdf – enterprise and IP

EDGEsport IP service with Zixi transport.pdf – IMG integration

IMG-Wimbledon & hologram emails – coordination

Voice & Holograms / Package emails – execution

Shoefield emails (2015) – internal access

Shoefield Statement (2025) – confirmation

Financial Forecast Model – economic value

### **IV. ISSUE FOR THE COURT**

Whether enforcement can safely proceed given evidence of commercial interference and displacement.

### **V. CONCLUSION**

The evidential record requires scrutiny prior to enforcement.
