SECTION 1 – CORE FILING

This submission is narrow and procedural. It addresses whether enforcement can safely proceed on a materially incomplete evidentiary record.

The Appellant submits that enforcement should not proceed where origin, continuity, and licensing authority remain unresolved.

SECTION 2 – CONTEXT & EVIDENTIARY SPINE

The Appellant was the originator of hologram systems through Hologram USA, including a Beverly Hills venue used for deployment and industry participation.

The Billboard Awards hologram performance of Michael Jackson represents a central nexus of technology and commercial exploitation.

Later deployments through overlapping personnel and successor systems demonstrate continuity.

SECTION 3 – PALMA EVIDENCE

Giovanni Palma confirms Hologram USA as market leader and provides first-hand evidence of industry practices and continuity.

SECTION 4 – COMMERCIAL CONTINUITY

Evidence shows continued use of hologram systems through overlapping personnel including David Nussbaum and high-profile deployments involving Ray J and Kim Kardashian.

These references are contextual and demonstrate continuity of the same commercial ecosystem.

SECTION 5 – EXHIBITS

Exhibit 2: Screenshot 2026-04-09 214422.png

Ray J celebrated what would have been **Tupac**'s 44th birthday by getting down with the late rapper's hologram, the same one unveiled a few years back at Coachella.

Ray went to the **Hologram USA** showroom in Bev Hills and danced with the famous lifelike image.

The good folks at Hologram USA tell us anyone can hang with the **Tupac hologram** ... for free.

Not free? The parking ticket Ray J got out front because apparently time flies when you're dancing with Pac.
