v
MAHIM KHAN & OTHERS (Respondents)

Tab 1 — Core Application

Affidavit dated 6 April 2026 establishing request for stay, preservation, and record integrity.

Tab 2 — Legal Framework

CPR 83.7 (stay of enforcement), appellate fairness principles, and fresh evidence standards.

Tab 3 — Evidentiary Deficiencies

Incomplete record, missing evidence, and procedural inconsistencies affecting reliability of judgment.

Tab 4 — Procedural Limitations

Witnesses not heard, evidence not tested, and disability accommodations not addressed.

Tab 5 — Antigua Context

CID Evidence Bundle, Carbon Act filing, and government systems demonstrating active sovereign overlap.

Tab 6 — Cross-Jurisdiction

SDNY filings and parallel proceedings demonstrating comity and overlapping judicial engagement.

Tab 7 — Commercial Ecosystem

Federal court order (Fischer J.) confirming Download.com / CNET distribution infrastructure and inducement theory.

Tab 8 — Systems Infrastructure

Operational frameworks and system-level structures relevant to assets and enforcement impact.

Tab 9 — Asset Disruption

Evidence of business loss, asset interference, and valuation impact.

Tab 10 — ASOT Killer (Investigation Context)

Document referencing Scotland Yard assistance and ongoing investigative context supporting seriousness of overlapping matters.

Conclusion

This bundle supports a narrow procedural application for stay, preservation, and record integrity. It is structured to assist the Court with clarity and credibility.
