EXHIBIT Z

INTERCONNECTED EVIDENTIARY SYSTEM

ULTIMATE IMMERSIVE MASTER BUNDLE

EXECUTIVE SUMMARY

This bundle presents a unified evidentiary system demonstrating structural fragmentation of the record across jurisdictions, aligned with procedural, economic, and informational pathways.

CORE ARGUMENT

The evidentiary record is not incomplete by accident. Its gaps follow repeatable structural pathways and are materially impaired.

13 STRUCTURAL PATHWAYS

1. Media Exposure
2. Legal Record Distortion
3. Government Contact
4. Witness Consistency
5. Economic Consistency
6. Investigative Overlap
7. Antiguan Judicial Issues
8. IP Exploitation
9. Procedural Commoditization
10. Financial Irregularities
11. Labour Market Control
12. Narrative Framing
13. Communications Infrastructure

RECORD DISRUPTION

Key individuals are deceased or unavailable, resulting in irreversible impairment of evidentiary continuity.

WITNESS VULNERABILITY

Witnesses include individuals with long-standing trauma, affecting disclosure and participation.
