Additionally in this Video

One that causes terrible aspersions and Goldberg is very familiar with my arrest in St Kitts - Says MARIJUANA I was arrested for HEMP - he knows that - he also knows it was set up politically

[Caribbean Cannabis Investment Consortium Formed by Alki \(globoenewswire.com\)](https://www.globenewswire.com)

Goldberg knows very well that Swissx is a CBD brand - they harass me so much by sending off-duty cops to investigate my business on Hollywood Blvd. I even had Kat Packer come to my lounge and inspect it randomly. All about Hemp and Sustainability.

Buy Goldberg cast aspersions that just don't exist about Marijuana because we discussed this issue at length.

There was a bunch of press around this and I must say I exploited it - was 500 HEMP SEEDLINGS aboard for which I got a misdemeanor fine. Though they will end up paying because they destroyed \$30 000 of hemp seeds - I can have a lawyer in St Kitts send a report if you would like one;

Goldberg knew this but he continues to cast aspersions. This is part of his MO.

The jurors on the insists that I have so much money that I can afford to hit hard when Allred and Bloom both knew that this was NOT the case

Following up on the previous email:

Regarding the video of the press conference that Gloria Allred and Nathan Goldberg held following the trial

[Gloria Allred's Announces the Verdict in the Amount of \\$50.8 Million on Behalf of Her Client - Bing video](#)

at 20:16 on this video on Allred YouTube channel you will heard Nathan Goldberg LIE PROFUSELY

He claims that I forfeit my rights for counsel to defend me - the whole process was fudged and I was pushed to the side Elyn and Co were unable to counter any claims and his closing argument Nathan Goldberg claims that I forfeit my rights too - all of this was a LIE even technically it was a lie - if the internal record reflects that I did - its a LIE manipulated by them and their perversion of justice

This any MANY other points of ethics or some might say CRIMINAL SLANDER are brought up in the filings made to the State Bar.

I felt this was clear one where all of Allred's firm is in full compliance on a giant lie that copmp[letely swung this trial. All of my rebuttal witnesses were infact "hostile" witnesses that Allred had listed as hers. Whereas in fact they were sympathetic to me

I went to a local Lie Detection specialist during the trial with Elizabeth Taylor that I also represented myself

Whilst I'm aware that this is not admissible I hope that it will help clarify that I am truthful.

As the extent of the things I have ro say to you which does not just pertain to me personally or to my cases alone, Ellyn Garofalo and Amir Kaltgrad from Venable - they were at DLA Piper at the time

Ellyn is whose signature was faked by Allred's company during the Mahim Kahn Trial - Amir copied has all that data at hand as well the data that was supplied to the State Bar

Ellyn actually pulled together a 70 page Complaint attesting to her signature being forged - UNDENIABLY - yet it was - Judge Court denied it without any investigation at all that was the same trial I was and Ellyn was denied

WITNESSES or REBUTTAL -

TheJury were 100% blindsided heres is a little linnk to some post elder abuse of the Jury

[Gloria Allred's Announces the Verdict in the Amount of \\$50.8 Million on Behalf of Her Client](#)

FYI I recently saw Judge Court in a Debtor's Exam hearing - she was very polite and let me rage for an hour at the debtor's collectors 4 of whom flew in from New York

During the depostion I was INDIGNANT throughout and berated at the people there - I have asked for the VIDEO of the examination/deposition - when they asked for my Phone with the Data on it (Judge Court pointed this out) when they asked me for my phone as an asset - I stood on the desk and threatened to piss on them

All hell broke loose the stenographer called the Sherrif's. The place filled with Cops and the 4 lawyers interestingly disappeared until the Police left.

I was not sanctioned at all. And yes it was a golden moment for me. I'm still trying to get the video.

PLease do try and get hold of the Court Reporter during Mahim Kahn - you will that she is of the same opinion as I.

I believe Ellyn may remember that lady saying the Corridor outside the Courtroom "DO NOT THINK THIS HAS GONE UN-NOTICED"

There is widespread corruption at the Stanley Mosk courthouse. I expect that my case will help expose a lot of this.

Warm regards

Shannon

I've thought a bit more about your last email and why I feel compelled to send loads of info.

The lawyers I speak to have all advised be for years to not involve the feds. That nothing will happen. That only bad will come from it and so on.

A rugged court room is a terrifying thing. When you go from depo to depo with the same people it's very very intimidating and I just want to freak out.

So when your lawyers in this toxic corrupted City tell you the FBI will take years and in the meantime These people will keep doing what they are doing to you and that there will be no consequence.

I love America. It makes me so sad to live in this America.

Hi Shannon

I received your text in my UK phone.

I don't think my replies are getting through to you so I'm replying by email.

I understand you want to move the meeting to a Microsoft meeting tomorrow at 10 am - "because of Covid restrictions" That is fine of course.

Could you please let me know what this Covid restriction is because I am not aware of it and would like to know for the record as this will of course play into future proceedings.

Naturally the excitement of our meeting on Wednesday being cancelled was quite demoralizing . Nevertheless that was cool and I understood

Moving this meeting to a Microsoft product is dubious to say the least.

I find the use of a product by a company that flagrantly breaks the law on privacy and public company laws absurd.

I would like something else please.

Thanks

FOR IMMEDIATE RELEASE
DATE: FRIDAY, JULY 25, 2025

THE GLOBAL SHOWDOWN: THIS IS WHERE THE LIES END

High Court Case KB-2025-001991 | Alkiviades David v. Mahim Kahn & the Transnational Syndicate

LONDON • ST. JOHN'S, ANTIGUA • LOS ANGELES — On July 25, 2025, one of the most explosive legal confrontations in modern history reaches its boiling point before the Honourable Justice Cleaver in the UK High Court. The case: **Alkiviades David**, whistleblower, entrepreneur, and truth-teller, taking on a \$900 million fraud masterminded by a global network of predators—posing as lawyers, CEOs, judges, and media gatekeepers.

This is not a lawsuit. **This is the exposure of a criminal enterprise.**

The **Government of Antigua and Barbuda**, alongside other aligned SIDS nations, stands shoulder to shoulder with David in open defiance of a legal cartel that has terrorized the innocent, trafficked in lies, and abused international law. They have formally declared this an act of **diplomatic resistance** and **legal rebellion** against syndicate corruption.

CASE BACKGROUND: HOW THIS BEGAN

This case originates from a long-standing pattern of abuse that spans multiple jurisdictions, involving the coordinated targeting of Alkiviades David for his role as a media entrepreneur, whistleblower, and founder of SwissX. At the heart of the matter is a California civil judgment totaling \$900 million USD—an amount achieved through what David and multiple international observers have labeled a "show trial" engineered by corrupt legal operatives and facilitated by legacy media.

The case was initiated in California under circumstances that included:

- False psychiatric imprisonment via fraudulent 5150 holds
- Fabricated evidence and the suppression of key exculpatory material
- Theft of proprietary intellectual property linked to Hologram USA, FilmOn, and SwissX innovations
- Media suppression and reputational destruction coordinated through outlets with direct financial ties to figures such as Ron Burkle and David Boies

David was denied due process in the United States and subjected to malicious prosecution, targeting him not just as a businessman, but as a dissident speaking out against entrenched interests. Key legal documents demonstrate patterns of witness coercion, forged statements, and judicial bias that culminated in the issuance of a fraudulent judgment.

As a result, David sought relief and review under UK jurisdiction, triggering the current case now before the Honourable Justice Cleaver.

In parallel, David has also been embroiled in the controversial seizure and auction of the **Alpha Nero superyacht**, a sovereign asset docked in Antigua that became the subject of geopolitical litigation involving Russian oligarchs, the Government of Antigua, and U.S.-approved financial transfers. The Alpha Nero matter highlights the use of state and international pressure against whistleblowers and sovereign partners engaged in economic independence efforts.

Separately, sealed materials and public investigations have surfaced disturbing links between syndicate-linked media platforms and the hosting, indexing, or redistribution of **Child Sexual Abuse Material (CSAM)**. Platforms allegedly associated with Media Defender and other intelligence-backed media monitoring services—including those involved in takedown schemes targeting David—have been found connected to databases cataloging explicit material for blackmail leverage and reputation destruction. These patterns are now under evidentiary scrutiny within the UK court.

THIS IS THE MALIBU MEGA GROUP—NAMED, DOCUMENTED, AND CAUGHT

Case No: KB-2025-001991 uncovers a criminal alliance that used psychiatric holds (California's 5150), media blackmail, and courtroom fraud to enforce silence. The syndicate—known in the filings as the "**Malibu Mega Group**"—is backed by major U.S. networks and bolstered by dirty intelligence money.

Their method: fabricate charges, isolate targets, seize assets, and silence resistance.

Their collaborators include:

- **NBC (Comcast)**
- **CBS (Paramount / Redstone)**
- **FOX (Murdoch / NewsCorp)**
- **ABC (Disney)**

NAMED IN COURT, IN PUBLIC, IN PERPETUITY

Media Moguls & Executive Racketeers:

- **Shari Redstone**
- **Brian Roberts**
- **Rupert Murdoch**
- **Bob Iger**
- **Les Moonves**
- **David Nussbaum**
- **Steven Spielberg**
- **Jeffrey Katzenberg**

Legal Enforcers of the Racket:

- **Gloria Allred**
- **Lisa Bloom**
- **Tom Girardi (in prison)**
- **Michael Avenatti (in prison)**
- **Ron Burkle**
- **Louis Freeh**
- **David Boies**
- **Robert Shapiro**
- **Mark Lieberman (deceased)**

- Dana Cole
- Anthony Pellicano
- Jack Palladino (deceased)

State and Intelligence Operatives:

- Ajay Fournillier
- Kevin Franklin
- John Lawrence Pelletier
- Louis Freeh

Victims & Whistleblowers:

- Courtney Burgess
- Ashley Parham
- Daniel Kapon Jr.
- Alison Doe
- Rebecca Rini
- John Quirk
- Lady Victoria Hervey

These names are not allegations. They are **factually documented participants** or victims in what is now being called the largest coordinated legal and media conspiracy of our generation.

ANTIGUA & BARBUDA: SMALL ISLAND, GIANT STAND

With the formation of the **SwissX Sovereign Wealth Fund**, Antigua has drawn a line in the sand: it will not tolerate **foreign abuse of justice**. Under the leadership of **Prime Minister Gaston Browne**, Antigua has branded the \$900M judgment a **political weapon of financial warfare** against a protected whistleblower.

This case is a test of post-colonial sovereignty, media transparency, and international law.

"No rogue judgment shall determine the fate of our national partners or our whistleblowers. We reject tyranny in all its legal disguises." — Prime Minister Gaston Browne

THE EVIDENCE THE WORLD CAN NOW SEE

- **EXHIBIT BURKLE-X** – The map of the syndicate's financial and criminal infrastructure
- **EXHIBIT FALLS** – Judge Falls' judicial misconduct
- **EXHIBIT SHOEFIELD** – Proof of stolen IP and coerced silence
- **EXHIBIT GRIFFIN** – Cloning and biotech transparency from SwissX Labs
- **EXHIBITS STONE1 & STONE2** – Anaheim 1999 & Rancho Fiesta 2006 testimony
- **EXHIBIT RINI** – Final files from murdered witness

Video evidence of intimidation, coercion, and syndicate racketeering is posted publicly:
