Subject: Elizabeth Taylor v. Alki David, et al.

Hi Alki – I spoke to Ellen re: the status of the above-referenced case. Per our discussion, I'm willing to substitute in and assume r would involve the handling of the pending appeal and if necessary, the re-trial of this matter. Fees would be billed at the rate of \$7 would be applied at first to the appeal; and then any residual to the re-trial. With respect to the re-trial, I would require the deposit remaining residual) + \$25,000 for costs. Perhaps, more importantly, as discussed, there is the Mary Rizzo issue. It is likely that T evidence, e.g. testimony from Mary, the lawsuit allegations and/or the settlement agreement from the Rizzo case. That could prov you (and me), given the salacious allegations and the settlement amount in that case. Of course, I would attempt to exclude any case, but I cannot predict what evidentiary rulings the trial judge would make regarding same. Therefore, you need to decide whe and/or conflict. To the extent such a conflict exists, you would need to WAIVE any such conflict in order to retain my services. Yo issue (or any other independent attorney) before deciding whether to waive any such conflict. If these terms are generally accepta a more formal retainer agreement. Of course, if you have additional questions, feel free in contacting me. Regards, Dana
