Hi Alex

I have repeatedly tried to contact you

You must understand tha I represented myself well you must realize that it was in fact counsel's inability at the time to realize that the jud law which they are currently going back to the judge to inform him of his wrongful decision and so on

so to tell anybody that it is my fault that a wrongful decision was made by a judge I think is misleading don't you ?

Simple question Alex - Why is Fred et al going back to the judge ?
