Fred

Once again you have outdone yourself with incompetence or just plain crookery

I have fired you before but felt sorry for you and recanted. But now Fred your fuck ups are unacceptable.

You have refused to write a letter to Swiss counsel to say that there are problems with the Case re Mahim Kahn, I find this amazing and

What I find even more incredulous is that you emailed Two swiss law firms and failed to copy me.

Every step of the way Fred I am thwarted by your incredibly bad or loaded lawyering

I should not have lost Zirpel yet you blame me which is hilarious

I should not have lost the appeal on Jones but you failed against a loaded case like that

Robert Shapiro your partner has repeatedly tried to threaten me and then sweet talk me.

Your partner Patricia Glasser has never engaged with me. Your partner Louis Freeh was equally slippery.

It is clear that you are part of the Girardi Network of lawyers and for that, I am deeply saddened.

The number of terrible things that have happened time and time again yet you have refused to go to the authorities. You and Dana have corrupted into this system of rigged judgments

When I bring you the evidence you guys bury it or forget about it and say nothing to see here.

Reply Forward 😊
