

FULL CRIMINAL COMPLAINT DOSSIER

Submitted to: Criminal Investigations Department

Royal Police Force of Antigua and Barbuda

Complainant: Alkiviades David

Date: 27 March 2026

1. Core Criminal Complaint

This complaint concerns alleged tampering with court records, obstruction of justice, and misconduct within the Attorney General's Chambers.

The matter relates to Claim No. ANUHCV2025/0149 and irregularities identified in the court record.

2. Prior Complaint and Police Conduct

A prior complaint dated 19 March 2026 was not formally recorded or assigned a report number.

There was a refusal by police officers to properly document the complaint.

3. Evidence of Court Irregularities

A baseline record was established on 3 February 2026 via Notice of Factual Clarification.

Subsequent discrepancies indicate potential unauthorized alterations.

4. International Litigation Context

Related proceedings in California resulted in a default due to failure to file a brief.

This undermines the credibility of allegations being circulated publicly.

5. Public Dissemination in Antigua

Unproven allegations were publicly repeated and amplified within Antigua.

This includes political and broadcast dissemination affecting reputation and business interests.

6. Linked Conduct

The overlap between court irregularities and public dissemination suggests potential coordinated interference.

Both legal process and public perception appear to be impacted simultaneously.

7. Harm Suffered

Significant reputational, financial, and operational harm has been suffered.

Investor confidence and sovereign project operations have been affected.

8. Criminal Concerns

Possible offences include conspiracy, obstruction of justice, misconduct in public office, and defamation.

9. Request to CID

Investigate the conduct described, identify responsible parties, preserve evidence, and assess coordination.

10. Statement

I confirm this complaint is made in good faith and I am willing to fully cooperate.
