Dough

I have agreed with jennifer on all points regarding Niko and Tino

a new trust will be set up for Niko and Tino - this will not be with Bridgeford

Harmonia will be moved in its entirety to a new trust structure away from the USA - which is the right Harmonia and the beneficiaries have

I do reserve my rights personally for the unacceptable behavior of you and the Bridgeford Trust company

As you know for a long time now I have railed about four dead lawyers and one in hiding - well the one in hiding finally made it to the centerpiece of the LA times investigations

the point is that the people who have been extorting me through the corrupt court system are now being fully exposed,

here is my response to the LA times on my platform

Nissrine Qrib is entitled to her share of the sale of Harmonia Lupin which I suggest is done asap - Net profits are to be split 50 50 with her - less any monies advanced to her for maintenance which should also be split 50 50

Id like to get the kids out of your hands as I do not feel in the least bit comfortable with the way you have handled matters.

I understand that you feel what you feel but then you should not have agreed to take Harmonia on. Your actions have done nothing than cause me added stress and distrust.

Thanks

Alki David
