

## INTEGRATED EVIDENTIARY SUBMISSION

This submission consolidates multi-jurisdictional evidence across:

- UK Court of Appeal (CA-2025-002562)
- California Court of Appeal (B341119 / B345361)
- Antigua High Court (ANUHCV2025/0149)

### CORE PRINCIPLE:

The Court is not asked to speculate. The Court is asked to observe.

### KEY ELEMENTS:

1. Media communications and timing relative to court proceedings
2. Financial and legal intersections involving counsel
3. Cross-jurisdictional overlap of participants and issues
4. Carrington corroboration materials (sworn declarations)
5. Procedural developments in US and UK courts

### MEDIA TIMING:

Communications with journalists appeared contemporaneously with live proceedings.

### LEGAL CONTEXT:

Concerns raised regarding conduct of representation and financial channels.

### PATTERN:

Warnings → Legal Issues → Financial Links → Media → Court Timing → Multi-jurisdiction litigation

### CONCLUSION:

The evidentiary record, taken as a whole, speaks for itself.
