

KANYE WEST STATEMENT

Throughout Hollywood, a lot of people come up missing. Feels like it might be a lot of that in order to control, traumatize. They want to monetize and traumatize.

You know what I'm saying, and this truth is going to be heard. Y'all can't send none of y'all meat meals, y'all puffies, y'all little boozies, none of these things. None of these people that have to listen to y'all because they're dealing with, they have legal, I never killed nobody, right? I'm the pussy that never killed nobody, right? But that means I can say whatever I want and not go to jail.

And even if they did figure out a way, I'm still not backing down for what I said. And God loved me, you understand? They give me Gap, Adidas, all that away. Still Forbes, who hate me, right? Had the right network 400 million.

Jesus is king. God loves me.
