

MASTER EVIDENCE BUNDLE (ELITE)

Court-Ready | Indexed | Evidence Pathways Included

Alkiviades David v Mahim Khan

EVIDENCE PATHWAYS SUMMARY

This bundle is structured around a unified evidentiary spine: 1. Proximity: Asot Michael (temporal + contextual relevance) 2. Network Statements: Daphne Barak representations 3. Media–Legal Alignment: DMG / Daily Mail materials 4. Witness Layer: Depositions and corroboration 5. Financial Motive: Hologram IP misappropriation 6. Cross-Jurisdiction: Antigua / UK / Dallas Police Each exhibit below maps to one or more of these pathways.

Tab	File Name	Description
A1	SDNY Filings (1).pdf	Core court filings establishing baseline litigation context
A2	EXHIBIT-LAWFARE.pdf	Demonstrates alleged coordinated litigation conduct
A3	MET POLICE.pdf	UK law enforcement engagement reference
A4	AD-66-ACD-10_Lieberman_Letter_to_DOD.pdf	DOD correspondence linking US nexus
B1	DMG ALKI.pdf	Media interaction showing timing alignment with legal events
C1	DIDDY HOLOGRAM.pdf	Evidence of IP use tied to network actors
C2	ALKI - DIDDY.pdf	Expanded hologram/IP evidence
D1	KAPON depo 1.pdf	Witness deposition material
D2	ALLIE COMS.png	Direct corroboration from insider witness
E1	FELDMAN.pdf	Network linkage (entertainment bridge)
E2	DIDDY OBAMA.pdf	Contextual network overlap material
F1	Dallas Police Homicide PDF	Law enforcement reference (Dallas nexus)

EXHIBIT A1

Original File Name: SDNY Filings (1).pdf

Description: Core court filings establishing baseline litigation context

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT A2

Original File Name: EXHIBIT-LAWFARE.pdf

Description: Demonstrates alleged coordinated litigation conduct

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT A3

Original File Name: MET POLICE.pdf

Description: UK law enforcement engagement reference

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT A4

Original File Name: AD-66-ACD-10_Lieberman_Letter_to_DOJ.pdf.pdf

Description: DOJ correspondence linking US nexus

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT B1

Original File Name: DMG ALKI.pdf

Description: Media interaction showing timing alignment with legal events

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT C1

Original File Name: DIDDY HOLOGRAM.pdf

Description: Evidence of IP use tied to network actors

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT C2

Original File Name: ALKI - DIDDY.pdf

Description: Expanded hologram/IP evidence

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT D1

Original File Name: KAPON depo 1.pdf

Description: Witness deposition material

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT D2

Original File Name: ALLIE COMS.png

Description: Direct corroboration from insider witness

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT E1

Original File Name: FELDMAN.pdf

Description: Network linkage (entertainment bridge)

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT E2

Original File Name: DIDDY OBAMA.pdf

Description: Contextual network overlap material

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.

EXHIBIT F1

Original File Name: Dallas Police Homicide PDF

Description: Law enforcement reference (Dallas nexus)

Evidentiary Pathway: This exhibit supports one or more core pathways including network overlap, witness corroboration, financial motive, or jurisdictional linkage.
