Skechers debuts new technology at Manhattan Beach store

Skechers introduced its first hologram retail experience at its flagship store in Manhattan Beach on March 27, 2026. Dozens lined up to meet Skechers ambassador Howie Mandel, who is featured in the Proto Hologram experience. Pictured are Proto Hologram founder David Nussbaum, Skechers President Michael Greenberg and Mandel. (Photo by Michael Hixon/SCNG)

David Nussbaum

5 years!

David Nussbaum March 31, 2021

We made it to the front cover (kinda). Plus, a pretty in-depth interview with me about PORTL, what Inavate Magazine calls "The Future Of Telepresence."
