how about this statement on BASE Inbox x

Owen Phillips <owentphillips@gmail.com>
to me

"I'm very concerned for the Orbison family," said Hologram USA CEO Alki David. "They are being misled by BASE's Gary incompetence, and for stealing proprietary information and IP. He and BASE CEO Brian Becker, are misleading the Orbison family because BASE has no legal way to present any quality holograms without licensing our technology. I love Roy Orbison's family will see that Gary and Brian are taking advantage of me and them, and let us all get back to work. We've just opened Hollywood Boulevard--and our Jackie Wilson show will be ready by the end of the year."
