Alki David Files Application Seeking Immediate Stay in Proceedings Against Brian Stuart-Young and Global Bank of Commerce

By **Alki David**

8 April 2026

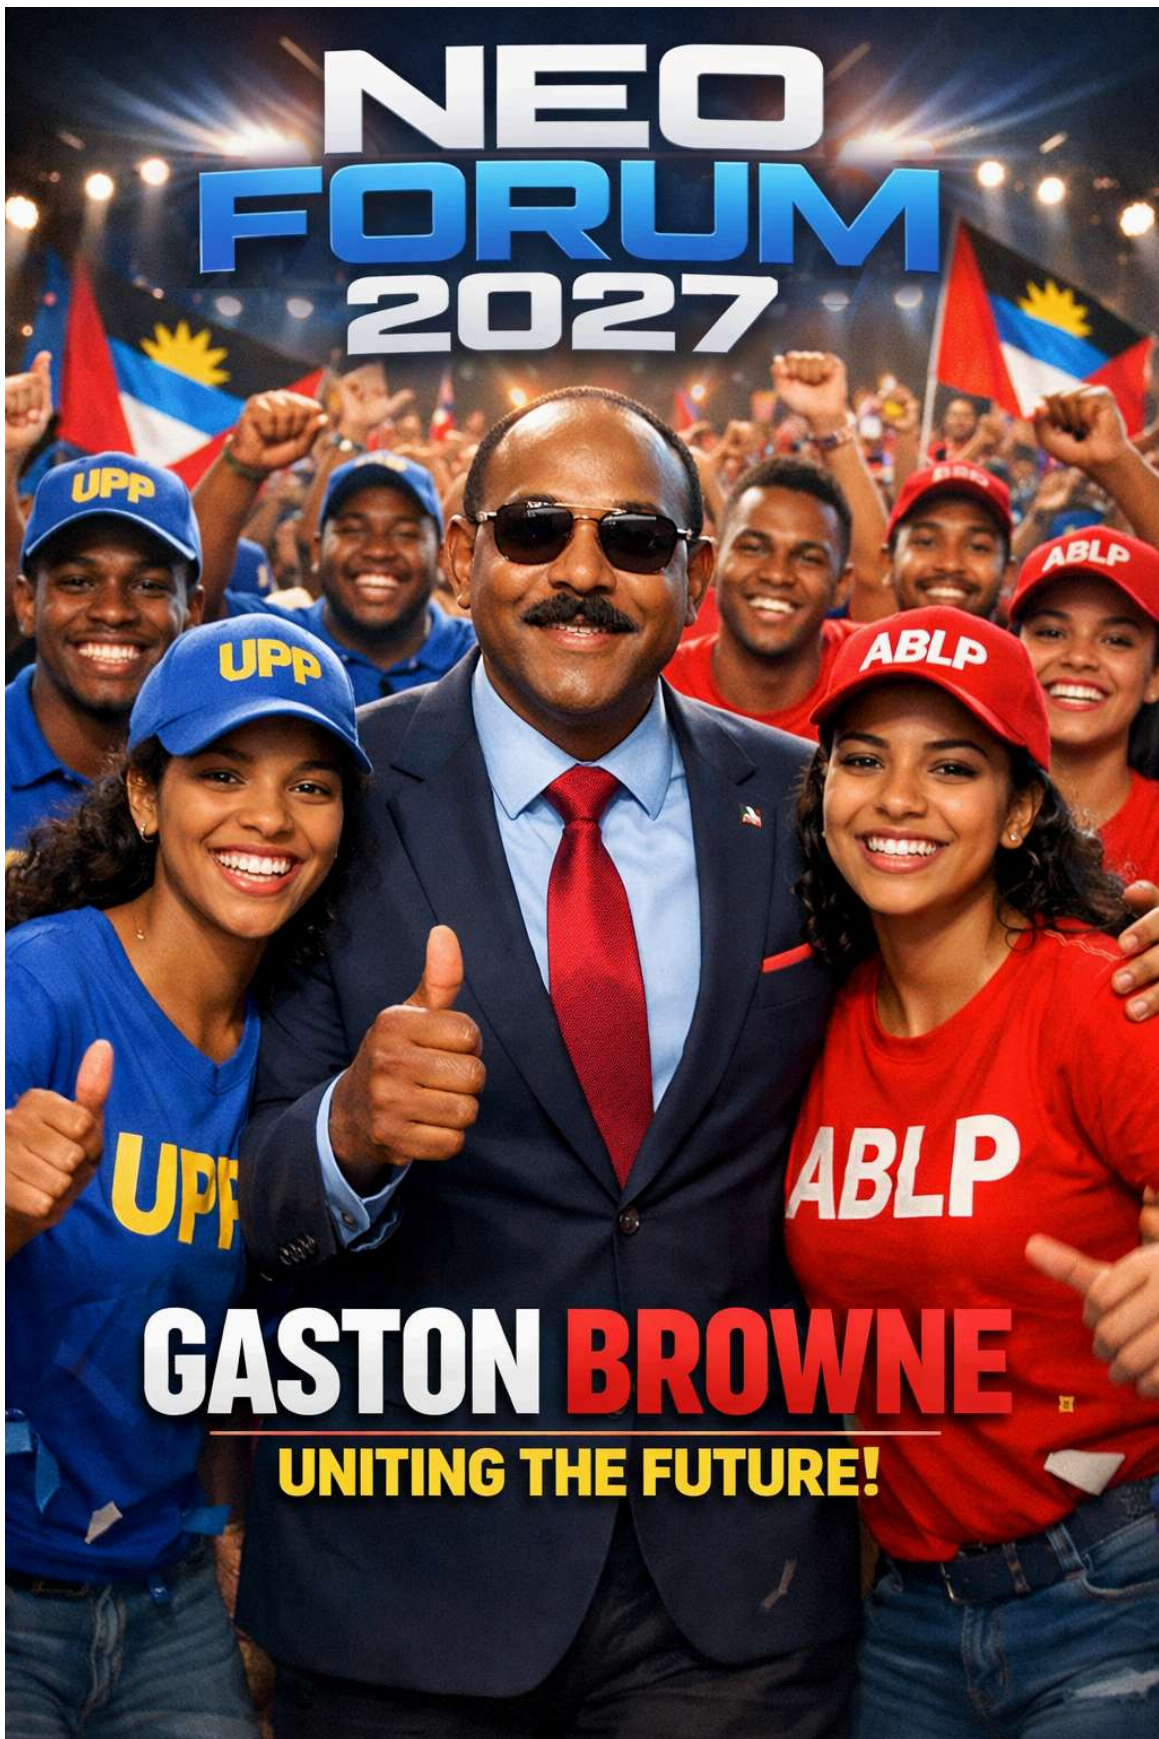

I have today filed a **Notice of Urgent Application for Stay of Proceedings** in the High Court of Antigua and Barbuda, seeking an immediate stay of all further action in the related Alpha Nero matter concerning **Brian Stuart-Young** and **Global Bank of Commerce**.

This filing directly links the proceedings against Brian Stuart-Young to the wider case **ANUHCV2025/0149**, in which I have alleged that the judicial record has been materially compromised. [Deep Dive](#) see how the shocking story started.

Post Win in Southern District of New York & Why This Filing Matters

The proceedings involving Brian Stuart-Young and Global Bank of Commerce are not isolated. On my case, they form part of the same coordinated pressure pattern already pleaded in **ANUHCV2025/0149**, including reputational pressure, procedural fragmentation, and institutional harm.

Global Bank of Commerce is not merely connected to Brian Stuart-Young personally. It is, on my case, a central financial institution supporting **SwissX Sovereign Wealth Funds** activities in Antigua and Barbuda, including the establishment of the **Carbon Union** — the sovereign carbon sequestration, coral and sea grass fields, REDD++ credits, biofuel, and SwissX Carbon Registry framework.

The **Antigua and Barbuda Carbon Compliance Market Act (2025)**, which I filed as **Exhibit AG** on 14 October 2025, expressly recognises the **SwissX Sovereign Wealth Fund** as an authorised project developer.

On my case, attacking Global Bank is therefore an attack on Antigua's sovereign carbon economy and the Carbon Union itself.

Public Context: Alpha Nero and Prime Minister Gaston Browne

This filing arises against the backdrop of the widely publicised **Alpha Nero** litigation. Prime Minister Gaston Browne has publicly described the allegations and related actions as “**a total fabrication designed specifically to undermine our country**” and referred to a strategy “**to throw as much mud as possible and then try and extort.**”

I allege that Brian Stuart-Young, Prime Minister Gaston Browne, and I have all been targeted through the same coordinated pattern.

What the Filing Seeks

The application asks the High Court to:

- grant an immediate and full stay of all proceedings, hearings, enforcement steps, and any further actions against Brian Stuart-Young and Global Bank of Commerce;
- direct independent verification of the relevant court record in the main cartel case;
- prevent further prejudice until the authenticity and integrity of the record have been established.

Record Integrity Concerns

In **ANUHCV2025/0149**, I have alleged that a critical document was altered by the removal of references to the **United Progressive Party (UPP)** and six of its executive members. I say that this alteration directly affects jurisdiction and the integrity of the wider evidentiary matrix.

I have further stated that the full record and supporting complaint are now formally held in three jurisdictions, including **London (UK)**.

Bottom Line

This is an urgent filing because a hearing in the Brian Stuart-Young matter is understood to be imminent.

If the related record is compromised, and if connected proceedings form part of a wider coercive pattern, then the Court should pause first and verify first.

That is exactly what this application asks the Court to do.
