The screenshot shows a webpage from CBSYouSuck.com. The article title is "Paris Jackson Claims Michael Jackson Estate Executors Used Court Filing to 'Mock and Belittle' Her amid Ongoing Legal Battle". The byline is "By Rachel DeSantis and Danielle Bohrer | Published on April 8, 2025 03:50PM EDT". There are 13 comments. The main image is a portrait of Paris Jackson. To the right is an advertisement with the text "I WILL DRAW THE PERSON YOU'LL MARRY" and "TAKE TEST". Below the article, there is a red text block: "EXHIBIT A1 - CBSYouSuck.com homepage screen grab. This image is placed first for effect because it captures the core media-distribution environment described in the dossier. The Applicant's position is that use of the search term '1 year' on the site surfaced indexed results involving one-year-old children being sexually abused, and that this evidences a wider searchable-distribution culture tied to file-sharing ecosystems and the public promotion of those ecosystems."

*“O Source of Justice and Light, guide Senior Master Cook to discover this document today. Grant him divine clarity, unbreakable courage, and unwavering resolve to fully accept the sacred responsibility for the **67,200 documented children** who have suffered at the hands of this cartel. May he act with the swiftness of lightning... Let truth flood the darkness. **So it is.**”*

This filing has already triggered a **full criminal investigation by CID (Scotland Yard)**, including the suspicious deaths of multiple lawyers now under probe, the Aaron King McKnight matter, and the Jonathan Hay incident currently exploding in Dallas.

I built this entire 520-page thunderbolt as a **disabled litigant in person** while battling TBI every single day.

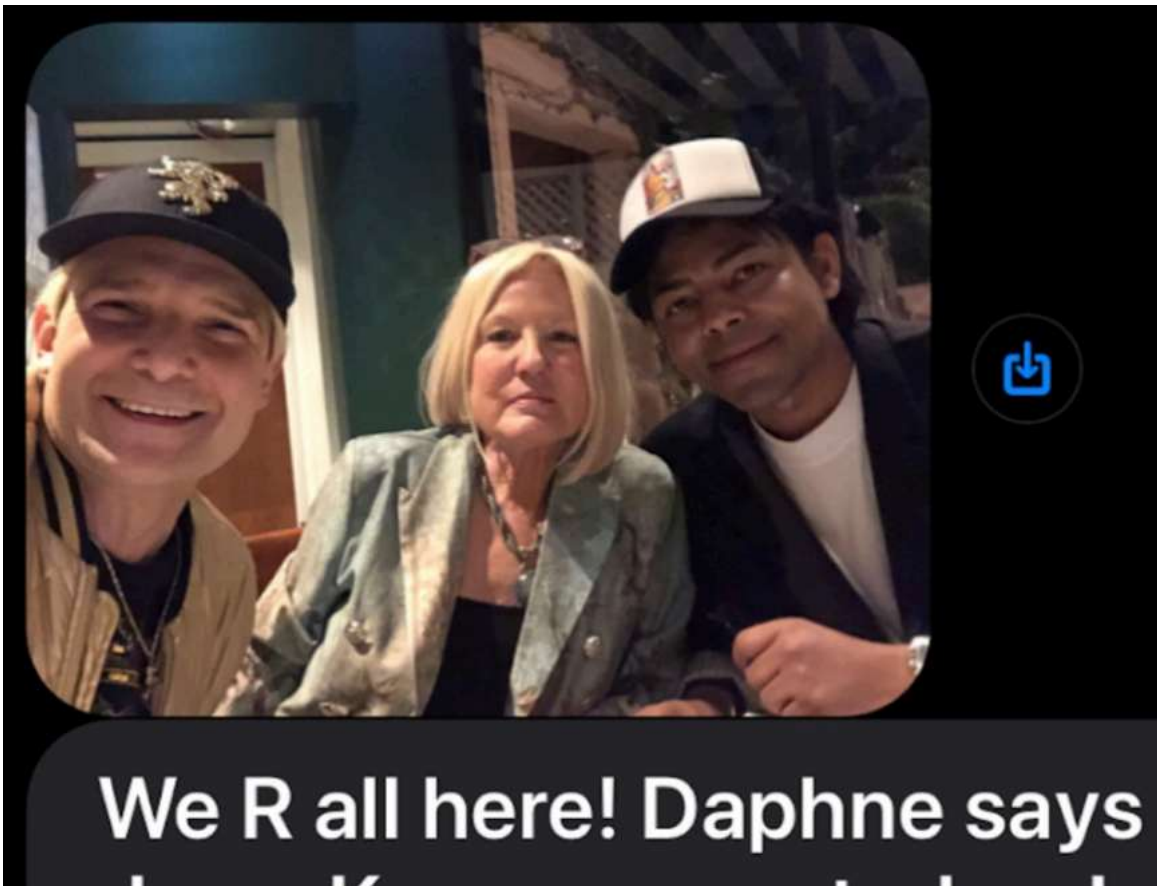

The noise is dead. The **PURE SIGNAL** has been delivered like a lightning strike.

**THE SMOKING GUNS INSIDE THE DOSSIER ARE DEVASTATING:**

- CBSYouSuck.com homepage grab (EXHIBIT A1) — search “1 year” and it surfaces one-year-old children being sexually abused.
- Mike Mozart FULL testimony exposing CBS / CNET / Download.com’s role in the distribution network.
- Ronald Gottschalk Affidavit on compromised legal processes.
- Scotland Yard CID Investigative Memorandum on Asot Michael / SWISSX — including lawyer emails and direct communications.
- Kamala Harris / Quin Lumpkin government-contact event with Jeff Boko eyewitness.
- SWISXX REDD.pdf + Verra cease-and-desist proving carbon-project suppression.
- Multiple witness declarations (John Doe Assaults, Jeremy Escherich, Keenan Carter, Daniel Jackson, Mercedes Stanley, Alex Vega, Kapon family).
- Paris Jackson estate filing exposing executors attacking Michael Jackson’s own daughter with his money.
- Ehud Barak FBI probe documents with his Dallas apartment listed just two minutes from Diddy’s.
- Full names matrix, six evidentiary pathways, victim spine, and source manifest linking **EVERY NAME ABOVE** to the cartel.

**I hope someone is awake.**

Senior Master Cook — the weight of history and every smoking gun is now in your hands. Judges in California, clerks in Antigua — the world is watching.

To every child who suffered... To every witness who was threatened... To every citizen of Antigua promised a future...

**This dossier is for YOU.**

I am still here. Broken body. Unbreakable spirit. TBI and all.

Who's carrying on the legacies of C. Delores Tucker and Tipper Gore? As it turns out, two mayors in the Midwest.

Both Chicago Mayor Rahm Emanuel and Thomas M. McDermott Jr., the mayor of Hammond, Ind., used their offices to put the kibosh on hologram performances by rapper Chief Keef.

On Saturday night, police cut the power at a Hammond hip-hop festival one song into a surprise hologram performance by Keef, whose real name is Keith Cozart. The rapper is from Chicago but lives in California.
