“Truth Has One Witness”: Ray J Explodes Syndicate Lies in Bombshell UK High Court Filing”

LONDON – August 5, 2025 –

In an extraordinary turn of legal warfare against the media-industrial complex, **Willie Ray Norwood Jr.**, better known to the world as **Ray J**, has delivered a **devastating affidavit** to the **UK High Court of Justice**, exposing decades of manipulation, coercion, and corporate racketeering perpetrated by entities tied to **CBS Interactive, Hulu, Vivid Entertainment**, and the **Daily Mail syndicate**.

Filed by **Alkiviades David**, public interest litigant and global whistleblower, the witness statement forms part of the broader **RICO-style case (2025-001991)** that has already named **media moguls, lawyers, and distributors** in a scheme involving **contract breaches, defamation, financial sabotage, and the sexual commodification of celebrity subjects**.

But this isn't just another celebrity scandal.

This is **Ray J, uncensored**—calling out not just Kris Jenner, Kim Kardashian, and Steve Hirsch, but the entire machinery that has profited off his trauma while threatening him into silence.

“I Never Used Those Words. Bring It to Open Court.”

In what is already being described in legal circles as a **watershed moment**, Ray J rebukes claims made by opposing counsel that he accused the Kardashians of “committed racketeering.”

“I never used those words. I never made that claim,” he writes. **“Bring it to open court.”**

And now, it seems, the court may indeed be where all of it lands.

Included in the filing are:

- **Emails showing breach of settlement agreements** by Hulu, which aired multiple Kardashian episodes referencing the sex tape after payments lapsed.
- **A contract allegedly handwritten by Kim Kardashian herself**, outlining the sale of three staged sex tapes—directed by Kris Jenner—for commercial release.

- **Proof that the infamous “lie detector” episode was staged**, using a polygraph operator banned by regulatory bodies.
- **Statements implicating Lisa Bloom** in an ongoing legal shakedown campaign, framing Ray J in false associations with the Whitney Houston case.
- And court documentation confirming **financial theft** from the Norwood family by the Kardashians—a fact quietly settled but never publicly disclosed.

The Media Syndicate in the Dock

Ray J’s affidavit is more than personal vindication—it’s **evidentiary fuel** for a firestorm aimed directly at the heart of **legacy media’s corruption pipeline**.

At the center of the lawsuit is the assertion that platforms like **Download.com (CBS Interactive)**, **Hulu**, and the **DailyMail/MailOnline group** have acted not as neutral publishers, but as **willing agents in a syndicate operation** designed to:

- Coerce vulnerable celebrities into silence,
- Profit off their humiliation,
- And defame them into permanent brand subordination.

It’s a script we’ve seen before. But never this exposed.

Ray J’s refusal to settle, his rejection of arbitration, and his bold proclamation—**“No grace. No silence. No arbitration.”**—place the industry on high alert. Every executive, producer, and lawyer involved may now be **subject to subpoena** in multiple jurisdictions.

“You Breached When Hulu Aired That Lie”

At the heart of Ray J’s fury is a simple contractual truth: the Kardashians breached their agreement—**again and again**—while weaponizing their Disney-backed platform to mislead the public.

In his words:

“You breached the moment Hulu aired that lie. You breached when you missed your payment. You don’t get grace. Not even one hour late.”

This is not a man bargaining for airtime.

This is **a man indicting an industry.**

A Billion-Dollar Reckoning?

With Ray J estimating his personal losses at hundreds of millions—due to defamation, lost deals, and industry blacklisting—the case may soon crack open the **billion-dollar artificial valuations** created through false narratives and media weaponization.

Raycon, ScootEBike, syndicated shows, and his personal IP portfolio have all grown **despite** the sabotage. **“Imagine what I could’ve built if I weren’t labeled as the bad guy,”** he notes.

The implication is chilling:

Media profits are directly linked to character assassination, and artists are collateral.

What Comes Next?

With UK Judge **Barry Cotter** reviewing the explosive submission, and Antigua’s courts already activated in related SwissX filings, momentum is building across borders.

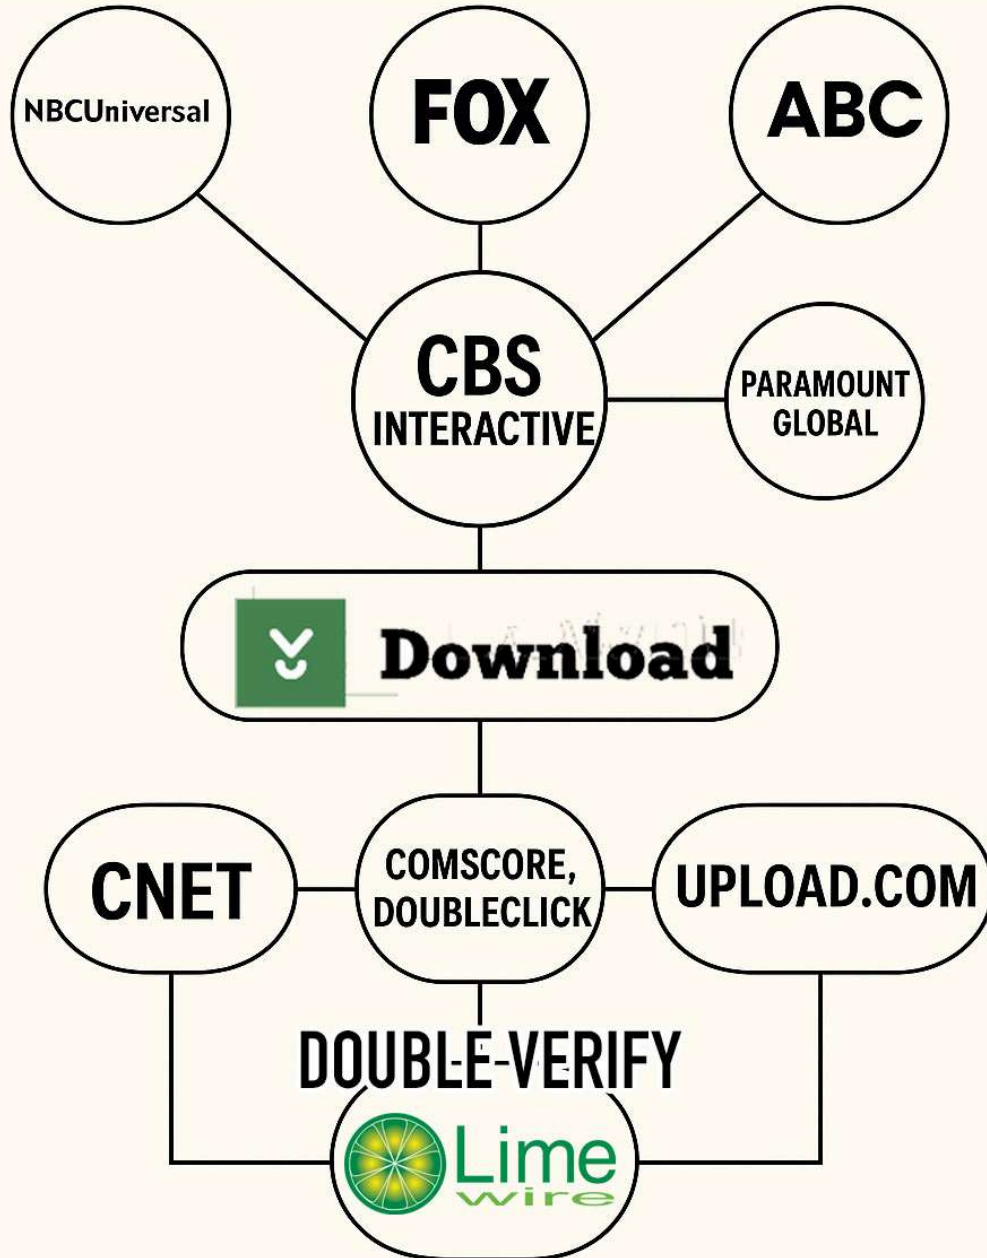

Ray J, it appears, has **broken Omertà.**

His affidavit is a declaration of war—not just on those who wronged him, but on the entire system that turned scandal into revenue, abuse into entertainment, and threats into legal leverage.

If Cotter accepts this testimony, and subpoenas begin to fly, this case could unravel **decades of predatory media conduct**, built on **trauma, silence, and shame.**

**CHILD TRAFFICKING
LABOR RACKETEERING**

But as Ray J now says:

“Truth only has one witness: me.”
